

Broker Benefits Program

Pet insurance is one of the most in-demand employee benefits in today's market!

What is pet insurance?

Pet insurance is similar to human health insurance, but for dogs and cats. It allows pet owners to meet the healthcare needs of their pets by reimbursing for costly veterinary bills.

Why choose PetPartners

Experience

Starting in 2002, PetPartners was one of the first in the US to offer affordable pet insurance for dogs and cats. PetPartners has served as the exclusive pet insurance partner for the American Kennel Club since 2003.

Coverage

PetPartners' customizable policy options provide coverage ranging from accident and illness coverage to preventative and wellness care. Policies allow pet owners to create a plan that fits their individual needs and budget.

By the end of 2018, there were over 2.15 million pets insured in the United States.*

About the program
