DefenderPlus* coverage includes Defender benefits		
Dental Cleaning	✓	✗
Spay/Neuter	✓	✗

\* DefenderPlus includes a dental cleaning **or** spay/neuter per policy period.

The top two are all you will ever need unless I tell you otherwise. Anything that references the 30-Day Certificate will need the 30-Day one. Anything else, like employer stuff, regular policy info, etc. will need the full-term policy one.
