Coverage Options

Accident and Illness Coverage

Our most comprehensive option offers coverage for accidents, injuries and illnesses—including cancer. Common illness claims include allergies, growth removal, cancer and gastric conditions.*

Accident Coverage

A great option for older pets, this coverage is available to pets of any age and helps with unexpected accidents and injuries. Common accident claims include snake bites, foreign body ingestion and toxin ingestions.*

Get Reimbursed For:

Laboratory tests, medications, hospitalization, surgery, ultrasound, CT scans, x-rays, MRIs and more*

Add-Ons

Inherited and Congenital Coverage

Coverage for inherited and congenital conditions. Common conditions include heart disease, diabetes, hip/elbow dysplasia, arthritis and more.*

Exam Coverage

Coverage for costly exam fees and office visit charges at general practice vets, emergency clinics, specialty clinics and veterinary universities.*

Wellness Coverage

Get reimbursed for routine and preventative care items like vaccines, flea/tick prevention, routine labwork, annual wellness exam, dental cleaning, spay/neutering and more.*
